The Hamilton Island Challenge

Kick off your stay with a Welcome Cocktail Party at Catseye Beach on Friday night, enjoy three nights spectacular accommodation at the Reef View Hotel, compete over two rounds of golf at the Hamilton Island Golf Club and enjoy refreshments and a sumptuous presentation lunch as we wrap up the event.

The Hamilton Island Golf Club

The golf course is located on Dent Island – the island that sits next to Hamilton Island itself - a quick 5 minute ferry transfer from the hotel. Designed by champion golfer, Peter Thomson, the par 71 championship course measures 6,120 metres (6692 yards).

The course is designed as a series of holes strung along the ridges and played across steep valleys and the course layout works with the landform, with generally broad fairways taking the “line of least resistance”, avoiding the steeper, more sensitive areas.

The island's natural and rugged beauty, together with its mountainous terrain affords stunning 360 degree views across secluded coves and beaches to adjacent passages and islands, and the mainland beyond.
